

COMMERCIAL MEDIATION

Commercial Mediation is a quick and cost-effective way of resolving disputes that involve both businesses and individuals, without going to court. A neutral mediator facilitates a meeting between the parties with a view to helping them achieve a settlement. They do not impose solutions. The process is voluntary and confidential, and can be used at any stage.

Some of the sectors we cover:

-  PROPERTY
-  CONSTRUCTION
-  CONTRACTS
-  EDUCATION
-  INHERITANCE

A peacemaking service that empowers without imposing, that listens without fixing, and collaborates without judging.

Personal. Professional.
Compassionate.
